

# ADVENTURERS WANTED™

## DARE TO GET OUT OF YOUR CHAIR

Enter to become one of four adventurers chosen for an all-expenses-paid expedition to: HAIDA GWAI

Paddle a Haida war canoe with native guides and our intrepid band of adventurers as we brave the open Pacific, circumnavigating the ragged coast of Canada's primordial Queen Charlotte Islands, on a journey through time that

begins among the fallen totems of a long-abandoned Haida village (a World Heritage Site known as Ninistints) and ends where the living traditions of a proud maritime people are meeting the modern world.
