To Whom It May Concern,

The Oceanside Tourism Association (OTA) contracted with Cliff Craven to produce a series of photographs for use in our 2004 Visitors Guide, as well as for future ads and website promotions.

The OTA is a non-profit, member driven society with the mandate to do external tourism marketing of the Oceanside region in and around Parksville & Qualicum Beach on Vancouver Island. As a result, the caliber of the images we choose to use must reflect the natural beauty of the area.

We have found Cliff to be professional in every aspect. He is comfortable taking direction on the type of shots required, while feeling free to make suggestions as to how to improve upon them. Cliff's work has been everything we had expected and we do not hesitate to recommend him for your photographic needs.

If you have any questions regarding his work for us, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Geoff Corbett", is written over a printed name and title.
